

SCHOOL-HOME COMPACT

The Bendwood School
Spring Branch ISD
2020-2021

The Bendwood School receives Title I funds to fund additional personnel, equipment, services, or materials to support your child's education. School-Home Compacts are required in Title I schools. The purpose of the School-Home Compact is to foster a school-parent partnership to help all students achieve the District and State's high academic standards. Responsibility for student achievement will be shared by parents, students, and teachers.

It is the responsibility of The Bendwood School to provide high quality curriculum and instruction in a supportive and effective environment that enables students to meet the standards set in your child's Individual Education Plan. Each parent/guardian is responsible for supporting each child's learning by monitoring attendance, reading with their child each day, and participating as appropriate in decisions relating to the education of his/her children.

As parents we will support our children by:

- Reading progress reports/report cards/daily correspondence
- Attending school conferences and meetings
- Visiting the classroom
- Volunteering at school
- Ensuring that my child attends school every day and arrives on time
- Notifying the school when my child will be absent
- Encouraging reading activities with my child every day
- Ensuring my child gets a good night's sleep

As teachers and school faculty, we will support our students by:

- Planning developmentally appropriate lessons
- Maintaining good communication with parents in the form of notes and phone calls
- Providing regular reports of progress
- Conferencing with parents in an effort to work together for the success of the student
- Continually monitoring student progress
- Providing a safe learning environment
